**If permission is granted, third parties would be able to view the photographs.**

If you sign the attached form it means that you agree to the following:

2. Your child's photograph may be reproduced either in colour or in black and white.
3. The service will not use your child's photograph or samples of your child's work for any purpose other than for the education of students, or for the general promotion to the public about the service. Any photographs taken by the service will be stored of securely.

If you agree to permit the service to take photographs of your child, and to publish photographs of your child, or samples of your child's work, in the manner detailed above, please complete the consent form and return it to the office as soon as possible.

This consent, if signed, will remain effective until such time as you advise the service otherwise.
